KINGS PARK BISTRO

Our very own Kings Park Bistro offers homestyle cooking with a modern flair. The restaurant is BYO and open for breakfast and dinner daily, and lunch on Sundays. Takeaway lunch packs are available for guests to purchase throughout their stay. We also cater for events and corporate day-time funcions. Delivering both indoor and outdoor dining options for all occasions you'll feel completely at home at Kings Park Bistro.

LOCATION

Kings Park Accommodation borders both King and Park Streets in Chinchilla. The property is a 10 minute walk from the Chinchilla business centre and a number of restaurants, pubs and clubs. We are ideally located in a quiet residential area, well protected from the Warrego Highway noise and traffic.

ABOUT US

Kings Park is owned and operated by the Shearer-Smiths who are a farming family from a small rural community called Proston which is located in the neighbouring South Burnett region. The Shearer-Smiths also own and operate Smithfield Cattle Company and have been buying grain and cattle from producers in the Western Downs for over 25 years. We hope you enjoy our country hospitality when staying at Kings Park.
